Accountancy Academy 28th & 29th October

This 2 day event is aimed at anyone interested in accountancy as a career.

Day 1 will see presentations from various Accounting & Finance experts offering advice & guidance on the different career paths within the Finance industry.

There are workshops offering CV, public speaking & Interview skills followed by a business game to help you gain an insight in to the work of an Accountant.

Day 2 is the hugely popular **Meet The Employer** day. A wide sector of local employers will attend to hear the results of your business game and give presentations about what they are looking for in an apprentice followed by a Q&A session. The afternoon is spent conducting mock interviews; giving you a fantastic chance to hear first hand what employers are looking for in candidates.

There will also be opportunities to meet current apprentices who have previously attended our academies and have now started their apprenticeships. Hear first hand about their experiences in starting employment while studying for their Accounting qualifications.

It's a great opportunity to learn more about the different routes into accountancy and definitely helped me to make an important decision about my career. The chance to have a mock interview with an employer is so valuable and will surely help going forward. Not to mention the fact that attending these events looks great on CVs and will give you a better idea about the path you'd like to take." - **Billy Dixon 2017 Academy attendee***
