## QUALIFICATION AIM

This is the perfect course for anyone seeking a career in the makeup industry.

You will learn everything from how to apply basic make-up, daytime, evening and bridal makeup plus high fashion, special effects, airbrush, camouflage and much more! Unleash your imagination in the face and body art unit and explorer period makeup and makeup trends.

You will also learn how to adapt client care and communication to suit individual clients needs and look at ways to promote products and services.

This qualification will prepare you for employment in a spa, salon, cosmetic counter or self-employed working independently from mobile/home-based settings

## CONTENT AND DELIVERY

You will train with highly qualified professional staff who have extensive industry experience.

Sessions will be a combination of theory and practical work. You will take part in tutor lead discussions and lectures where you may be asked to complete written tasks, either individually or as part of a group.

The practical element will be delivered through demonstrations by your tutor. You will start performing treatments on peers until you are ready to work on paying clients in 'Commercial Salon' sessions. These are incorporated into your timetable to reflect a realistic working environment.
