Find out if Higher Education is for you

FIND OUT ABOUT OUR COURSES

Find out the information for our three undergraduate courses as well as our post-graduate opportunities for study. Ask questions and see which course is best for you.

SPEAK TO CURRENT STUDENTS

Speak to some of our students from all three undergraduate levels. Find out from the horse's mouth what it's like to be a student at University Centre Myerscough, ask all the important questions to your peers about halls, lessons, livery and the BUCS riding team.

LEARN ABOUT OPPORTUNITIES & CAREERS

Learn about some of the amazing opportunities we provide to our students with research and trips. Explore the variety of exciting job roles our students go into following their courses here at University Centre Myerscough.

HELPING STUDENTS TO FIND THEIR INSPIRATION

Myerscough Equine Higher Education

Discover the modules which build our courses to allow students a broad understanding of a variety of science, management and business topics. Find out information on electives and either/or modules which allow you to build some of your key interests into your own degree.

Find out what we expect from our students at University Centre Myerscough and the opportunities for support from lecturers.

Divulge in the world class research we provide to the equestrian industry at all levels, See some of the research posters from our dissertation and work project students in our virtual gallery.
