

# Apprenticeships at BAM

Where have you been?  
We've been waiting for someone like you!

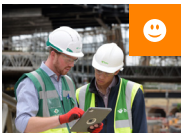

## Who is BAM?

In the UK, we have two operating companies called BAM Construct UK and BAM Nuttall.

Both operating companies are part of the Royal BAM Group, one of Europe's biggest and most successful construction companies and a leader in digital construction.

We have over 19,000 people operating in the Netherlands, the United Kingdom, Ireland, Belgium, Germany, with a clear purpose - to build a sustainable tomorrow.

**2,600**

**BAM Construct UK**  
With over 2,600 employees, BAM Construct UK develops, designs, constructs, refurbishes and operates buildings.

**3,000**

**BAM Nuttall**  
With over 3000 employees, delivers civil engineering infrastructure projects.

# Our Apprenticeship opportunities

We have award-winning programmes available, just for you.

Firstly, we have our Technical Apprenticeship programme, with career opportunities like these to choose from:
